[Chorus:]

When I Don't Call You Back I know It Pisses You Off
I'm Getting To The Money Baby You Know I'm A Boss
When I'm Not Home I Know She Fiends For Me
And When She All Alone I Know She'd Be Having
Dreams Of Me
Ok I'm A Man And She My Boo
We Can Make It Through Whatever Look What We've
Been Through
And I Need You To Be By My Side
Down Ass Chick And She Down To Ride

[Verse 1:]

Ok I'm Grinding For Me And Her
Putting In Work Making Sure She Got Plenty Bread To
Fill Up That Purse
And I Keep That Thing Wetter Than A Scuba Diver
And She Ain't Never Leaving Me Cause Ain't A Nigga
Flyer
I'm Getting Naked Pictures Straight To My E-Mail From
Her Feed Mail
Talking She Wanna Ride Me Like A V Twelve
Yea And I Be Gone Till November
But I Will Leave You Something To Remember

[Chorus:]

When I Don't Call You Back I know It Pisses You Off
I'm Getting To The Money Baby You Know I'm A Boss
When I'm Not Home I Know She Fiends For Me
And When She All Alone I Know She'd Be Having
Dreams Of Me
Ok I'm A Man And She My Boo
We Can Make It Through Whatever Look What We've
Been Through
And I Need You To Be By My Side
Down Ass Chick And She Down To Ride

[Verse 2:]

Yea I Understand What She Go Through
Got Her Feelings Caught Up You Know How Girls Do
So You're Saying You Unhappy Ok Well Rest Your Case

Mad Cause I Was Grinding Trying To Bring Home The
Cake
So Quit All These Excuses And Bad Attitudes
I Can't lie I Ain't Seen No Woman As Bad As You
Yea And I Be Gone Till November
But I Will Leave You Something To Remember

[Chorus:]

When I Don't Call You Back I know It Pisses You Off
I'm Getting To The Money Baby You Know I'm A Boss
When I'm Not Home I Know She Fiends For Me
And When She All Alone I Know She'd Be Having
Dreams Of Me
Ok I'm A Man And She My Boo
We Can Make It Through Whatever Look What We've
Been Through
And I Need You To Be By My Side
Down Ass Chick And She Down To Ride

[Chorus]

When I Don't Call You Back I know It Pisses You Off
I'm Getting To The Money Baby You Know I'm A Boss
When I'm Not Home I Know She Fiends For Me
And When She All Alone I Know She'd Be Having
Dreams Of Me
Ok I'm A Man And She My Boo
We Can Make It Through Whatever Look What We've
Been Through
And I Need You To Be By My Side
Down Ass Chick And She Down To Ride
