[BOW WOW - Verse 1]

When I was 8 I was rhymin not back yard game playin
Watchin Snoop anxiously awaitin for my chance man
Hot and cocky wit it cause I kno that I am man
I'm goin down in history like american Band stand
I stay fresh to def like the neighborhood dope man
I stay on the top cause I keep comin wit dough man
You steady watchin stealin but there ain't no hope man
You dealin wit somethin bigger than the US OPEN
And ain't no jokin
Fresh like fatlases and dukey ropes and I keep on
smokin
Young but I'm ready so that means I'm strokin
Look at me now days girl a dawg is pokin'
Addicted to it Jd say I got it bad
18 nigga makin more than ya dad see
They think they doin it but I'ma out do em if
Ya kno somebody like that pull up and say to em

[Chorus:]

[JD]

Ye ain't ridin (ye ain't ridin)

[BOW WOW - Verse 2]

Now every record that I make I'm tryin to get up out the

Every car I drive I'm tryin have you sayin 'whoa man'

Fourth album comeback power like rogain

From records to movies now a tv show man
Anything given to me I'm gon rep man
Big house, big cars what you expect man
Just to get a glimpse girls breakin they neck man
Blinded by the light glistenin in off the Breitling
Bow hot as ever I ain't lost no step
Straight t-shirt, sneakers I ain't tryin to go prep
Like these lil r 'n' b groups that need my help
Wish they had my style wish they had my rep
But oh no, (oh no) you'll never have it like me man
And if you can't understand this is what I'm sayin
