[verse 2]

I know this girl named cindy  
loves to rock Fendi  
when she leaves the mall

her name is Ra'nette  
she lives on the west  
i hit the LAX  
i'm so impressed by the way that she dress  
walks like a model, the girl is so fresh  
i got a few of them, here's what i do to them (what you  
do?)  
take them out, try and teach somethin new to them  
it's no thing, when you heavy in the game  
i got another one who loves the mid-west swang [St  
Louis!]  
she's from the show me state  
so i show her the beat and my quarter to 8  
i know you caught on late  
but that's 7:45 now shorty let's ride

[chorus]

It's really really nice to meet ya ma  
I'm really really diggin your style  
so you wanna come chill with a balla huh?  
let's get down

It's really really nice to meet ya boy  
You know i'm really diggin your style  
you know i wanna chill with a balla so  
let's get down

[Birdman]

Ay! now i'm about to test ya' p's lil bow wow.  
(uh-huh) See lil one ova' there.  
She bout 25, and she been lookin at cha'.  
Pull ova' there in ya ride on 22's and bust her out!

[verse 3]

i know a girl named kisha  
she's no groupie  
but far from a star  
22"s made her choose me  
like ooo wee  
tellin all her friends in the benz  
he don't really look 16 do he?

112, youngest thing on the scene  
dont believe when i seen how she squeezed in them  
jeans  
looks like a tight situation  
make a young man make flight reservations  
just step, no intimidations  
i'm bow wow, boo accept no immitations  
shoulda seen the looks on they faces  
but ice plus light makes for good conversation  
you tellin me, it's a felony to yell at me  
how blue am i? she was dazed momentarily  
but luckily  
she stayed for some therapy  
i stay pimpin heavily  
my game spittin theroly

[chorus]

It's really really nice to meet ya ma (what's happenin'?)  
I'm really really diggin your style  
so you wanna come chill with a balla huh?
