Uh, huh, yeah yeah
Bow Wow, Mario, y'all ready

I'll move on
Livin' the life, knowin' I don't like what's on the table
Lookin' at my life doin' what's right because I'm able
Learnin' lessons, while protected, feelin' great, oh

I'll move on
Livin' the life , knowin' I don't like what's on the table
Lookin' at my life, doin' what's right because I'm able
There's no turnin' back, see yesterday's gone
I'll move on

Yeah, yeah, yeah, yeah, yeah
Life goes on, as I roll on
I can only be a child for so long
Ya'll wanna see my child hood prolong
But this time Bow Wow say so long

And I step to a new day
New age, and a new page
In the book of life but it's lookin' like
Ya'll ain't ready for the new phase

Then I'ma get more mature
Make mistakes, but hey, everybody did that before
Ever feel like you've been trapped before
Wish you could open up a magic door

Step thought it, just do it
The way that you feel it but cha'll confuse it
Ya'll wanna show me, keep me secluded
But this is life I'm bound to go through it

It's a process ya'll gotta digest
Let the boy grow up, wanna go out
Have a little fun, if it get a lil' wild
Then so what 'cuz an ounce of experience
Is more than a pint of advice
I hope ya'll hearin' this, 'cuz I'm serious
And it's like, I'm so curious about life, I'm movin' on

I'll move on
Livin' the life, knowin' I don't like what's on the table
Lookin' at my life doin' what's right because I'm able
Learnin' lessons, while protected, feelin' great, oh

I'll move on
Livin' the life , knowin' I don't like what's on the table
Lookin' at my life, doin' what's right because I'm able
There's no turnin' back, see yesterday's gone
I'll move on

I bet you think you know what you think you know
But I'm different than any one you've eva seen before
So don't compare me to other thirteen year olds
You seen lookin' cute comin' on the scene to blow

First impression of a young adolescent
A grown up mind that flow so impressive
Grew up so fast in this profession
A flash of concerts and late night sessions

So much dough, he don't know it's a blessin'
The way he brag, he won't last one second
But au contraire don't stop and stare
If I sell my jewelry and cut my hair

Still be here after ya'll
Standin' tall, like I ain't had a chance to ball
So when you doubt me I'll just laugh at cha'll
Shad Moss, fall in love, ain't in da plans at all

But ain't no tellin' when there's no more sellin' another
record end up
Wit a pen label ends up a record but nah
Still got actin' and basketball
So if you ain't checkin' for me, I ain't checkin' for ya'll

So, let this be a lesson to ya'll
When a rap acteece play professional ball
No matter who you get at rights or who you listenin' to
You get one life can't nobody live it but you

I'll move on
Livin' the life, knowin' I don't like what's on the table
Lookin' at my life doin' what's right because I'm able
Learnin' lessons, while protected, feelin' great, oh

I'll move on
Livin' the life , knowin' I don't like what's on the table
Lookin' at my life, doin' what's right because I'm able

There's no turnin' back, see yesterday's gone
I'll move on

Movin' on, yeah
Movin' on, movin' on
Ready, I'm movin' on
Gotta move on, I'ma move on
All ya move on, yeah

Let it go now
Get the roll now
Me and you now
Here we go now, oh
Just playin' around ya'll
Gotta go now ya'll
No, no, no, no, no
