Got's to be a G till the day that I die  
(That's right)  
Got's to be a G till the day that I die  
(Hey...hey)  
Got's to be a G till the day that I die  
(I'm A G)....(I'm A G)  
Got's to be a G till the day that I die  
I Got to be a G  
(Real niggas stand up)  
Got's to be a G  
(O.G's stand up)  
Got's to be a G  
(Crones the bricks nigga)  
(I come from nothin')  
Got's to be a G till the day that I die.

[Bow Wow:]

Lord have mercy mama done raised a real thug  
Me & my daddy cool but he showed me tough love  
15 I was asked out gettin' grown  
By this time my old man had just moved on  
Mama couldn't drive so she didn't have a car  
& I could still see my T-lady walkin' far  
Sweat on her face, purse & a grocery bag  
Me and my sister shit that's all we ever had  
Stuck my chest out became the man of the house  
Now I'm the bread winner, go get it at any cost  
Flippin' burgers, washin' cars & cuttin' yards  
I graduated to cookin' soft & sellin' hard  
Highschool is over with I'm on a path  
To mo' hoes mo' dough & a new slab  
I'm a B.G. hard headed so fly  
But I'm a gangsta & like this till I die.

Know what I'm sayin'?

Got's to be a G till the day that I die  
(Brrrrrrrd)  
Got's to be a G till the day that I die  
(What it do homeboy?)  
Got's to be a G till the day that I die

(What's the business?).....  
(King king...it's big money stunna nigga we in the  
buildin')  
Got's to be a G  
(Real niggas stand up)  
Got's to be a G  
(O.G's stand up)  
Got's to be a G  
(I'm still here)  
Got's to be a G till the day that I die  
(You know what it is homeboy)

I say my hood is a mess the O.G's done got dressed wit  
the red  
They heard the little homie got wet  
So them AK's sprayin' blood for the young blood  
You know us nigga is ridin' us  
We fly 25's on them new trucks  
We high till we die you can't see us  
G fo' burin' purple bush on that kush  
Leanin' on the lean & them guns stay took  
Stuntin' on them bitches in god we trust  
I'll ink my whole body I don't give a muthafuck  
Redid the new grill iced out block cuts  
Like father like son real niggas stand up  
I'm wall paper dawg I hustle in the fall  
Slept wit the gater roll wit Gorillas  
Built real niggas, a cash money nigga  
Young money nigga we them real go getter's.

Got's to be a G till the day that I die  
Got's to be a G till the day that I die  
Got's to be a G till the day that I die  
Got's to be a G till the day that I die  
Got's to be a G  
(Real niggas stand up)  
Got's to be a G  
(O.G's stand up)  
Got's to be a G  
(I'm here nigga).....(Ha ha)  
Got's to be a G till the day that I die.

[Bow Wow:]

Fuck a diploma I'm smuthered in the drauwer aroma  
Still on phrobation if I piss then I'm a gona  
Catch a pistol case fo' I leave it at the crib  
Welcome to hershalwood soldiers get it how they live  
A million blocks but they all end at 1 road  
The streets a muthafucker ride till the car explode

Niggas lose your vests I'm takin' head shots  
Fuck a new story evidents & sub blocks  
Pressure bust a pipe kept it real & stayed at it  
Them old snicth niggas know the game and still ratted  
I'm at the weed house wit 20 bags & 3 for 10  
I had a closed mind I wasn't listinin' back then  
Stuck in 1 spot tryin' to learn to manage money  
Fuck them air jordens the sky ain't forever sunny  
Keep a full clip jackers might wanna visit  
I'm a G chasin' down the same meal ticket.

Know what I'm sayin'?.....That's right.
