[Chorus:]

I'm Going Outta My Mind My Mind
Trying To Juggle Being A Celebrity And Living All Of My
Life There?
I'm Going Outta My Mind My Mind My Mind My Mind
Trying To Just Being With One Woman Instead Of Havin
Five
I'm Going Outta My Mind My Mind
Man It's Hard To Trust Anybody I Don't Trust These
Niggas
I'm Going Outta My Mind My Mind My Mind
Beathing These Front Days See My Views Come And
Walk In My Shoes

[Verse 1:]

Niggas Want Favors Niggas Want Hand Outs
Mandatory For Me To Help My Mans Out

Turned On 'Em
Never Was The Case And I'm a Always Have Love For

Trying To Digest All Of This Pressure
Too Young To Be Going Through Under Pressure

My Own Problems Shiit 23 Years Old
But sometimes I Feel Liked I've Been Here Before

Tryin To Make The Best Move What Do I Do From Here
So Much Lieing On This Young Man
It's Even Crazy When You Got The World In Your Hands
