I'm looking for that pretty young thang
Up in the spot, looking hot, playin' no games
And she steady, tryna get it, crunk right from the junk
And she playin' no games

That you, Shawty? Yeah, that's me
Did you come here to party? Yes, indeed
Ha, but could you drop it down low?
When it's time to get low, if so, baby girl, let's go
Come and get it, boy

They say I act old but I got that old man game
'Cause I stay, tryna find me a pretty young thang
That I call anytime if she ready to hang
And if sun, it jump off, she be ready to bang

I like 'em fresh outta high school
Just about to graduate short shirts
Ed'day, tryina show they little shape
Low cut jump jeans, lugz on her feet
Neighborhood girl but she love the streets

In a party she the main one doin' dat right thur
Every time her jam drop, hands up in the air
And she ain't thinkin' 'bout you, she ain't thinkin' 'bout
her her
And if you ballin', homie, she don't even really care

She got her mind set on what she wanna do
And she ain't come alone, she got her whole little crew
Her P.Y.T's, that'll make ya head spin
Every nigga in the club tryna get in

I'm looking for that pretty young thang
Up in the spot, looking hot, playin' no games
And she steady, tryna get it, crunk right from the junk
And she playin' no games

That you Shawty? Yeah, that's me
Did you come here to party? Yes, indeed
Ha, but could you drop it down low?
When it's time to get low, if so, baby girl, let's go

Come and get it, boy

They got a whole lot of attitude, rap is all that they
listen to

Stay in US Weekly, tryna find somthin new
Custom IPods with the rhinestones
Nextel camera phones with all the hot ringtones

Light skin 'til black little PYT's
Boricua mami's that like to eat Mickey D's
Always into somethin like NWA gota little bittie frame
But homie she don't play

You know a girl is the reason that a nigga wanna stunt
And I'm weak for 'em, homie, I ain't even gone front
See most young nigga's like 'em older
Not me, I spot them as soon as they spot me
Like especially in the summer

I run up hit them with that Moss A game
Like "Baby what's ya phone number?
Were ya live at? Shawdy what part of town?
'Cause I just wanna be down

I'm looking for that pretty young thang
Up in the spot, looking hot, playin' no games
And she steady, tryna get it, crunk right from the junk
And she playin' no games

That you Shawty? Yeah, that's me
Did you come here to party? Yes, indeed
Ha, but could you drop it down low?
When it's time to get low, if so, baby girl, let's go
Come and get it, boy

Pretty young thang repeat after me
Say nah na,na,na, nah na,na,na
Nah na,na,na, nah na,na,na

Say pretty young thangs, repeat after me
Nah na,na,na, nah na,na,na
Nah na,na,na, nah na,na,na

I'm looking for that pretty young thang
Up in the spot, looking hot, playin' no games
And she steady, tryna get it, crunk right from the junk
And she playin' no games

That you Shawty? Yeah, that's me
Did you come here to party? Yes, indeed
Ha, but could you drop it down low?

When it's time to get low, if so, baby girl, let's go
Come and get it, boy

I'm looking for that pretty young thang
Up in the spot, looking hot, playin' no games
And she steady, tryna get it, crunk right from the junk
And she playin' no games

That you Shawty? Yeah, that's me
Did you come here to party? Yes, indeed
Ha, but could you drop it down low?
When it's time to get low, if so, baby girl, let's go
Come and get it, boy
