[Bow Wow]

This What You need to Do Girl ...

LET ME HOLD YOU

I been watching you for a minute

Come through here so sweet scented

In life girl you need me in it

IM determined to win it

I know what you need

I know what's wrong

I know how to make it tight

Everything will be all right

If ya

LET ME HOLD YOU

And Introduce you to my world

And Introduce you to the better side of life that you aint
been seeing girl

Ima show you where its at

And Ima show you how to get it

All you got do is be wit it and

LET ME HOLD YOU

Down like a real mans supposed to

I never would have approached you

If I aint have intentions on doing good

See dude you wit is so fooled

To me girl your so cool

And all Im asking you to do is

LET ME HOLD YOU

Down like a best friend and two homies in the game

When you cry I wanna feel your pain

No Secrets , No Games

All Excitement , Nothing Plain

Keep you happy

Thats my aim

And all you gotta do girl is

LET ME HOLD YOU

[Chorus]

In My arms In my mind all the time I wanna keep you
right by my side till I die im gonna hold you down and
make sure everything is right wit you
You can never go wrong if you
LET ME HOLD YOU

Down like a real friends supposed to im trying to show
you the life of somebody like you should be living
OOOooHHhh Baby Baby
You could never go wrong If you let me hold you

[Bow Wow]

Ima Keep you up on whats popping and shake you
fresh to death
When we hit the mall we can ball till theres no more left
I know you aint used to it but you gon get used to it
'Cause that's the only way im a do you and just
LET ME HOLD YOU
All my hommies think Im tripping cause I got you a pad
See they just mad cause they aint get you
They aint get you

SCORPIO is your sign and girl your so fine
And i would do whatever in no time
LET ME HOLD YOU
No Shine
Its what your coming with but Ima change all that
Rearrange that
Put you in the range all black
With the rims to match
Phone attached
TVs in the back
How you gon say no to that? Huh
LET ME HOLD YOU
Niggas Look at me like now here you go
Really bout to blow some doe
But ain't nobody did it before so why is you so go hold
it
Cause I believe this was meant to be
I just gotta work at it
Like a crack attic up in rehab

[Chorus]

In My arms In my mind all the time I wanna keep you
right by my side till I die im gonna hold you down and
make sure everything is right wit you
You can never go wrong if you
LET ME HOLD YOU
Down like a real friends supposed to im trying to show
you the life of somebody like you should be living
OOOooHHhh Baby Baby
You could never go wrong If you let me hold you

[Bow Wow]

Down down around
Atlanta Lanta
Fah Found
And everybody know now what Im tryna do
I say
Down down around
Atlanta Lanta
Fah Found
Im just tryna get you to
LET ME HOLD YOU

[Bow Wow]

Down down around
Atlanta Lanta
Fah Found
And everybody know now what Im tryna do
I say
Down down around
Atlanta Lanta
Fah Found
Im just tryna get you to
LET ME HOLD YOU

[Chorus]

In My arms In my mind all the time I wanna keep you
right by my side till I die im gonna hold you down and
make sure everything is right wit you
You can never go wrong if you
LET ME HOLD YOU
Down like a real friends supposed to im trying to show
you the life of somebody like you should be living
OOOooHHhh Baby Baby
You could never go wrong If you let me hold you
