Never gave her the cold shoulda'
If she's in the [Incomprehensible], I let her take ova' the

Then it's off to the movies, tell her like Austin
Let's get groovy

From the movies to the crib
Get her keys for ya heard that's what I did, And
I'll find me another one more interesting, more fun
The pimpin' just begun

It's really, really nice to meet ya ma
I'm really, really diggin' yo style
Say you wanna go chill wit a balla, huh

Ay, I see what ya doin' Lil' Bow Wow
Ya had a date, ya did that
Now, I want you to go world wide with it

I want you to go East coast, west coast, mid-west and

I know this girl named Cindi, loves to rock Fendi
When she leaves the mall the stores' all empty
East coast, New York, my up town chic
I see her when I cruize the park and 106

Next, her name is Ra'nette
She lives on the west side I hit the L.A.X
I'm so impressed by the way that she dress
She walks like a model, the girl is so fresh

I got a few of them, here's what I do to them
Take 'em out, try to teach somethin' new to them
It's no thang, when you heavy in the game
I got another' one who loves th mid-west swang

She's from the show me state
So, I showed her the BM a quater to eight, hey
I know you caught on late but that's 7:45
Now shorty, now let's ride, hop in the wip

It's really, really nice to meet ya ma
I'm really, really diggin' yo style
Say you wanna go chill wit a balla, huh
Let's get down

It's really, really nice to meet ya boy
Ya know I'm really diggin' yo style
Ya know I wanna chill with a balla so
Let's get down

Ay, now I'm about to test ya P's Lil' Bow Wow
See lil' one over there she bout 25
And she been lookin' at ya
Pull over there in ya ride on 22's and bust her out

I know this girl named keisha, she's no groupi
But far from a star, 22's made her choose me
Like oowe, tellin' all her friends in the benz
He don't really look 16 do he?

One 12, youngest thing in tha scene
Couldn't believe when i seen how she squeezed in them
jeans
Looks like a tight situation
Make a young man make flight reservations

Just step, no intimidations
I'm bow Wow boo accept no imitations

Should have seen tha looks on they faces
The Ice plus light, makes for good conversation

You tellin' me it's a felony to yell at me
I blew her mind, she was dazed momentarily
But luckily, she stayed for some therapy
I stay pimpin' heavily, my game spittin'
[Incomprehensible]

It's really, really nice to meet ya ma
I'm really, really diggin' yo style
Say you wanna go chill wit a balla, huh
Let's get down

It's really, really nice to meet ya boy
Ya know I'm really diggin' yo style
Ya know I wanna chill with a balla so
Let's get down

Shorty, ya lookin' fly boy
Certified, ya went platinum
'Round tha world coast to coast, ya good wit me
