Oh

Uh ha, yeah

Uh ha, oh

My name is Bow Wow check me out now

(R.O.C.)

Uh-ohh, you then crossed the line

Beware of the dog is right there on the sign

You gotta muscle now, get em up and um

Put em up don't drop em

To the ceiling let, me see you get drunk bounce

Ugh, it will never be another one

Wit his style he' pound oh bow wow

From the eighteenth letter

And this Playboy representin it forever

Can't no body do it better?

Never, when-ever, where-ever, who-ever

However who-ever touch you'll never breath again ever

So whatever

I'm a pass the mic down to the B-O-W W-O-W you

You in trouble

(Lil' Bow Wow)

Uh, ain't nothing like a young cat wit his mind right

And a lime like chasing a dream

At the same time making some cream

Nickname 'Scary', cause I know how to make em  
scream

(Is that right?) Every time I'm seen, I'm full of flash

Every time I'm out pockets full of cash

And about my crew ain't no need to ask

We steady, steady keep puttin' down a smash

I was a fiend thing before I became a teen

I know that microphones instead of cones of ice cream.

And that's why I don't care who you are

When it come to the beat you gotta raise the bar

because

Chorus: (JD)

This playboy, he gets crunk  
Keep that bang off in the trunk  
With a nick-nac-paddy-whack, throw me a bone  
An this playboy gon' bring it ya heard

(Big Duke)

Ugh ha

Yes sir

Now Think bout the lock down these holds southeast  
Pull cards like teeth lang names like a reef  
I wish one of you bustas would spark some beef  
I swear to god it's goin' be hard for your mom to sleep  
See when I fall up in the club haters still show me love  
With dap, cheese and hugs that's the life of a thug

Told it cause I spark it  
Straight take you suckers boy ice and go and holk it  
I'm on the patio blowin' cleanin' my gun  
While Bow Wow in the front shootin' hoops, wit my son

(Lil' Bow Wow)

I'm tryin to have yall wait to see what I sell  
And a block full screamin' up at TRL  
Another thing I want yall niggas to know  
I ain't one of them lil cats that's goin' come and go  
I got somethin' to show and ah somethin' to say  
And knockin' down anything in my way  
I don't want haft a plate I want the whole thing  
I'm tryin' to escort Aaliyah or somebody on Soul Train  
If you sold three, I'm tryin' to do five  
And be the first kid, on the cover of VIBE

So if you at number one you better save a that  
Cause once I get it, it ain't never comin' back 4 sho
