Chorus: Only thing that keeps me up,
When im feelin down
I dont know about you,
But i gotta keep mines around
'cause I done looked, I done searched
and its hard to find,
Another shawty like mine
Baby yes im
Addicted to how we kick it,
Everything you say to me
Never knew it could be so wicked,
Hoping that you stay wit me
Searching all 'round the world but you would never find
Another shawty like mine,
Shawty like mine
you got a girl but she aint nothing
like mine
cute face nice size
like mine
stay kitted hood with it
like mine
mean walk talk the talk let me tell you some more

Bow Wow (First Verse) I knew that when I ran into this
one
she would be the red light of my pimpin
knew she would be the one to make me stop caring
about other girls
on my jock and get
she was the one to slow me down hold me down
i roll with now imma go get it thats how
dont be mad u cant go one hotter
broke the mold when they made lil mama
i dont care wat my niggas say
she been der everyday for my drama
some of the homies hate 'cause dey want her
wish dey the ones was datin my mama
goin get a good look 'cause she fine
and i dont mine 'cause she mine

Chorus

Cris Brown (second verse) I got all this love inside of
me
and all i wanna do is give it to her
i dont care wat the fellas say bout it
'cause i got something to say about it
wat imma bout to say straight up real talk no cut

there aint a price you can put on a girl who knows
just what to say when you need to hear it the most
and imma tell you something else if i dont know
nothing else

chorus

Bow Wow (third verse) i wanna give her the world
and i aint never tryna loose her
im addicted to my girl and the way she twirl in that lil
skirt

in the club in the crib in the streets

she a nice size wit the preety brown bright eyes
imma win her with the nice prize
and imma give it to her
to the rythum of the high hat
she got a beautiful mind ypu cant buy that
and the sight from behind when she walk on by
make a nigga wanna try that

and we can talk about anything she got good
