[Bow Wow]

Lil mama bad man she fine she a dime she a problem
Bedroom time boy I make her yell like the khaled
So hood check her swag I'm like anything you can have
Rent american express get what you want got every
bag
Niggas mad say I'm symmin her gurls think she trippin
We don't even feed into that bull like jordan and pimpin
Don't be trippin when she or he be at the club with other
woman
when I be out on tour she be the only thing I'm missin
Late night she hit my sidekick like bow come over
Treat her like the 4th quarter and put that D on her
She put up with all my bullshit and all of my drama
And I kno that she one because I let her meet my mama

[T-Pain]

She's my
And when I'm gone girl I miss ya
can't nobody do me like you shawty
She's my only love
She's my (only love)
