Y'all know what this is
(Chorus)[CHRIS BROWN]
The Only thing that keeps me up (ha)
When I feeling down
I don't know about u
But I gotta keep mines around
'cause I done looked
I done searched
And it's hard to find
Another Shorty like mine
Baby yes I'm
Addicted to how we kick it
everything u say to me
(This is going out to all the shorty's in the world)
Never knew it could be so wicked
Hoping that u stay wit me
Search around the world but u will never find
Another Shorty like mine
Shorty like mine
tell my nigga that uh
U got a girl but she ain't nothing
Like mine
Cute face nice size
Like mine
Stay kitted hood wit it
Like mine
Mean walk talk the talk
Let me tell u some more

I knew that when I ran into this one
She would be the red rum of my pimpin she would be
the 1 to make me stop caring about other girls on my
jock and gettin
She was the 1 to slow me down
Hold me down
I roll wit her now
Go wit it her know
I'm a grow wit it her now
I'm a go get her now that's how
I gotta
Don't be mad u cant get one hotter

Broke them up when they made lil mama
I don't care what my nigga's say
She been there everyday for my drama
Some of the homies hate
'cause they want her
Wish they was the one dating my woman
Go on get a good look 'cause she fine
And I don't mind 'cause she mine

The Only thing that keeps me up
When I feeling down
I don't know about u
But I gotta keep mines around
'cause I done looked
I done searched
And it's hard to find
Another Shorty like mine
Baby yes I'm
Addicted to how we kick it
And everything u say to me
Never knew it could be so wicked
Hoping that u stay wit me
Search around the world but u will never find
Another Shorty like mine
Shorty like mine
I tell my nigga that uh
U got a girl but she ain't nothing
Like mine
Cute face nice size
Like mine
Stay kitted hood wit it
Like mine
Mean walk talk
Chris help me help me tell'em what's up

I got all this love inside of me
And all I want to do is give it to her (break it
down) (.)
I don't care what the fellas say bout it
'cause I got something to say bout it
What I'm about say is straight up
Real talk no cut I don't play bout it
Their aint a price u can put on a girl who knows
Just what to say when you need to hear it the most
(most)
And im going to tell u something else
If I don't know nothing else
I know

The Only thing that keeps me up
When I feeling down (the only thing that I need)

I don't know about u
But I gotta keep mines around (I got to have her ooh)
'cause I done looked

I done searched
And it's hard to find
Another Shorty like mine (hey)
Baby yes I'm
Addicted to how we kick it
And everything u say to me (oh yeeeah)
Never knew it could be so wicked
Hoping that u stay wit me
Search around the world but u will never find
(searching Æ?Â!. Never find)
Another Shorty like mine
Shorty like mine
I tell my nigga that uh
U got a girl but she ain't nothing
Like mine
Cute face nice size
Like mine
Stay kitted hood wit it
Like mine
Mean walk talk the talk
Let me tell u some more

I wanna give her the world and
I aint never trying to lose her
Im addicted to my girl
And the way she twirks in that little skirt
Just for me
In the club, in the crib, in the streets
She reps for lb-dub ent
She a nice size
With the pretty brown bright eyes
Im a winner with the right prize
And Ima to give it to her
To the rhythm of a high hat
She got a beautiful mind u cant buy that
And the site from behind when she walk on by
Make a nigga wanna try that
She got the prettiest smile
And she gangsta
Keep me from runnin wild
And I thank her
And we can talk about anything
She got good conversation
My homie, lover, friend, and plus she's patient

The Only thing that keeps me up (up)
When I feeling down

I don't know about u
But I gotta keep mines around
'cause I done looked
I done searched
And it's hard to find
Another Shorty like mine
Baby yes I'm
Addicted to how we kick it
everything u say to me
Never knew it could be so wicked (girl)
Hoping that u stay wit me
Search around the world but u will never find
Another Shorty like mine
Shorty like mine (mine)
I tell my nigga that uh
U got a girl but she ain't nothing
Like mine
Cute face nice size
Like mine
Stay kitted hood wit it
Like mine
Mean walk talk the talk
Let me tell u some more

The Only thing that keeps me up
When I feeling down
I don't know about u
But I gotta keep mines around
'cause I done looked
I done searched
And it's hard to find (that's right)
Another Shorty like mine
Baby yes I'm
Addicted to how we kick it
everything u say to me
Never knew it could be so wicked
Hoping that u stay wit me
Search around the world but u will never find
Another Shorty like mine
Shorty like mine
