[Hook:]

You little niggas better stay in your lane  
We all know ya'll lame they ain't got shit on me  
So what you sold a couple records

Got a necklace listen dog check it they ain't got shit on me  
I've done em all sold the most from coast to coast  
I don't mean to brag or boast they ain't got shit on me  
They all try, they all try to be the dog  
They never will, they never will, so knock it off

Shit, I ain't nothing like these dudes  
Only kid walkin 'round with ten G's in grade school  
Chilling at the Grammy's rockin with Madonna  
I know that I'm the hottest shit  
I'm just being honest  
I'm the competition killer I'm all about my skrilla  
Fucking up the city you can call me Godzilla  
And the Maybach's vanilla  
I'm fresh from the dealer  
The fans don't fuck with you 'cause they know I keep it realer

[Hook:]

You little niggas better stay in your lane  
We all know ya'll lame they ain't got shit on me  
So what you sold a couple records

While you was at school I was on tour with doctor Dre  
and  
Snoop, now I'm in your local cinema starring in my own flicks  
Niggas think they doing it wifing up my old chicks  
I fly private that's the difference

Fountain Bleu chilling pool side with some bitches  
And your career just don't compare to mine  
And like the diamonds in my chain I'm supposed to  
shine (told you)

[Hook:]

300 thousand cash I make that in my sleep  
So what you saying lil homie you had you a hit  
But see one's not enough  
You gone need bout 6 to compete with the dog  
Top bill ball never open up I headline my tours  
I'm leading the pack, You watchin me nigga  
You won't find nobody else Who can top me nigga
