[Jermaine Dupree]
Uh Uh Uh

[Bow Wow][Chorus]
Got me like.
Wooo-hooo
When i think about you
Thats the first thing that come to my mind.
Im like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
When i think about you
Thats the first thing that come to my mind.
Im like
wooo-hoo
Shawtie you can get it all
you can get it all
you can get it

[Verse 1]
I know you heard my reputation
You dont think i would ever do right by you
You think that if you and i was in a relationship
I would never be true (be true)
You think that anything i say is straight game
and to me your just another new name
But what im tryna tell you for every man
theres a woman that'll make him change
And i believe you the one that'll make me
but every time i try to show you you shake me
I know i make it real hard for you to take me serious
but baby girl i am (i am)
And i aint stoppin right here, imma keep going
And imma make sure everyday tat you keep knowing
Whether if i have to send you flowers
or talk to you on the celle-phone for few hours
im yellin like..

[Chorus]
Wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hoo
Shawtie you can get it all
you can get it all

[Verse 2]
(One, one, one, one)
One minute you act like you like me
and then the next you dont
You still sending me crazy emails
Like i know its just sex you want
I cant lie the sex is truly incredible
And every part of your body is so edible
I get tears from just thinking bout it
But that aint the reason why im stuck and cant let you
go
We got a serious serious bond
And when we kick it we have nothin but fun
I feel a whole lot of L-O-V-E between you and me
even though we still young
Just your company aint gota get none
Talk the same lingo, understand where im coming
from
and if anybody ask me a question about you
ima tell em you the one

[Chorus]
You got me like
Wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
Thats the first thing that come to my mind.

Im like
wooo-hoo
Shawtie you can get it all
you can get it all, you can get it

[Johnta Austin]
As long as you know that
i can have any girl i want to
Baby that sexual infectual
but still i choose you to be
with me and were gona
so you better not break it up

[Chorus]
You got me like
Wooo-hooo
And when i think about you
That the first thing that come to my mind.
Im like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
Thats the first thing that come to my mind.
Im like
wooo-hoo
Shawtie you can get it all
you can get it all, you can get it
