Lil Bow Wow]
(You Know me)
Yo this is Bow Wow, uh-huh (You know me)
What can ya'll do to me, Nothin'
Shut it all the way down (you know me)
Ain't no question, I'ma do what I do every trip mama
A lil' Pimp (you Know me)
All I do is find 'em
Love 'em and flee
It's like that
Lil' cat but I'm nice (You know me)
Don't believe please
Step, step, step up
Cuz I'm bad like Mike (You know me)
Bout to watch small change , all change
Into big bucks

My niggas all we do is put down the smash
While ya'll playa hataz keep comin wit trash
I'm everything ya'll been lookin for
Everything that keep ya'll straight hittin the floor
Lil' girls in the hood, I got 'em all shook up
Tryna fing this nigga so we could hook up
Even girls 18 they be tryna sneak
They find all kinds of ways to get next to me
I'm the don of this new millennium
O-H-I-O is where I'm from
I might of sadi it before, but I'ma say it again
Since I stepped ya'll niggas can't win
It's the B-O dub, all in the club
The reason that girl keep shakin her butt
(you know me)
Gots to keep it goin' on
Wit' Jd on the track, how can I go wrong?
[JD]
Shut it all the way down (you know me)
Ain't no question, I'ma do what I does every trip mama
Big Pimp (You know me)
All I do is find 'em, love 'em and flee
It's like that , Big cat but I'm nice (you know me)
If u don't believe please

step, step, step up
And I'm bad like Mike (you know me)
'Bout to watch small change, all change into big
bucks,uh

Girl that talk slick
I don't want that
I want me a nice girl type
That ain't really been touched
If she all in the mix
I don't want that
Cuz those be the types that talk to much
That five double O
I don't want that
I want me a six with the tricks and the TV in the roof
That bottle of Mo'
I don't want that
Bring me the pineapple, cranberry, and the grape
fruit sour
Do it, ive flavor flow like fluid
Swallow I'm tryna keep ya'll dancin, like never before
Screamin' at the DJ, give me some more
It's So So Def and we don't play
Put it down like this everyday
And in the A-T-L-A-N-T-A, G-A, is where I stay
Now March
[Da Brat]
You gotta find a way to turn it up man
uh, uh, shut it all the way down (you know me)
Ain't no question, I do what I do every trip papa
A big pimp (you know me)
And all I do is find 'em
Love 'em and flee, it's like that
It's Da Brat and I'm nice (you know me)
And if you dont' believe
Step, step, step up
I'm bad like Mike (you know me)
And all I do is keep on makin' the big, big bucks

Niggas wit no dough , I dont want those
broke in the club all night holler at any ho
Pretty boys who feminine I dont want that
I need a thug to keep my adrenaline pumpin' fast
Hook up my grandma wit a fresh new V
with a note attached tellin her U love Me
The six-o-six-four-four and I'm too nice tp stop the flow
Rock some more
So So Def is the family
We on top and that's how it has to be
From JD, to Bow Wow, JE, and me
Everything we drop so hot continuously

If the sex ain't freaky that ain't me
And if the check ain't weekly, we can't be
I'm stil a big thang getter
Big Momma the brat from C-H-I-C-A-G-O
