Not a word, from your lips  
You just took for granted that I want to skinny dip.  
A quick hit, that's your game.  
But I'm not a piece of meat, still you like my brain.  
So come on baby won't you show some class,  
Why you wanna move so fast?

Chorus:  
We don't have to take our clothes off  
To have a good time  
Oh no  
We could dance & party all night  
And drink some cherry wine  
Uh huh  
Na na na na na nana...

Just slow down if you want me  
A man wants to be approached cool & romantically  
Well I've got needs  
Just like you  
If the conversation's good  
Vibrations through & through  
So come on baby, won't you show some class  
Why you want to move so fast

We don't have to take our clothes off  
To have a good time  
Oh no  
We could dance & party all night (all night)  
And drink some cherry wine  
Uh huh  
Na na na na na na...

So come on baby won't you show some class  
Why'd you wanna move so fast?

(Instrumental)

We don't have to take our clothes off  
To have a good time  
Oh no

We could dance & party all night (all night)  
And drink some cherry wine  
Uh huh  
Na na na na na na...

Repeat until fade...
