Recently niggas frontin' ain't sayin' nuttin' (you know  
my mothafuckin' name!)  
Recently niggas frontin' ain't sayin' nuttin' (you know  
my mothafuckin' name!)

Do somethin' to us, talk go through us

[Lil' Cease]

Recently niggas frontin' ain't sayin' nothin'  
Cease A Le he's a G hate me or love it  
I ball like I'm livin' in the mack days hunnid  
Took off more a minute now I'm back straight stuntin'  
I'mma outta state I'm in fashion killa  
My body shaped like an action figga  
Look now dogg don't step on my J's  
Brooklyn boy, born and raised  
Killuminati'll meet the Junior Mafia  
You want problem I'll beat the stupid outta ya  
But ya I got it though, BIG made it possible  
10 years down niggas still love the Poppa flow  
Diddy whatup? Kenny whatup Roc? (whatup Roc?)  
Cuz really we love Biggie it don't stop  
Talk goes through us flesh down easily  
Cease A Le, Big tell 'em bout recently

{Chrous}

[Fabolous]

Recently everybody say I'm on fuego  
green like money so everything I say go  
Goons'll shoot you in the club, blame it on the Grey Go

They poppin' out the toaster, who want an Eggo?  
There ain't nuttin' to it, the bullets go through it  
I put a check on you, niggas'll just do it  
I show 'em how to do it, Sprouse Graffiti Lou it  
Ya'll just wear it, I debut it  
Who's the real dookie, who's really the shit?  
You a clown oh that's why you do the silliest shit  
Listen, you Ronald McDonald you not a Soprano  
You playin' zone cause you scared to go mano y mano  
So i just pass through it, barely puttin' gas to it  
slow lettin' the horn blow like Jazz music  
My niggy I got Brooklyn on a piggy  
I'm Notoriously known to do it Biggie (Biggie!)

{Chorus}
