Gotta get myself a Cadillac  
Big steel rims and  
A suitcase in the back

O my god it's like a heart at-t-t-ack  
Where the hell am I?

Yeah, yeah, yeah, yeah!  
Yeah, yeah, yeah, yeah!

Like a Little opportunity  
Just push play baby  
Shake that might G.

(Woo)

Everybody wants some  
Everybody needs some

Talking about some big fun,  
Big time, fit to be,  
Everybody wants to be a big star!

Big in America  
Girls are  
Big in America  
Get your fast cars  
Big in America  
Big big dream in big reality

Big sky in the biggest world  
Big big fun with that big Blondie Barbie girl  
She told me take it easy on the clothes  
I go too fast but I get my moneys worth.

Everybody wants some  
Everybody needs some

Talking about some big fun  
Big time, fit to be,  
Everybody wants to be a big star

Big in America  
Girls are  
Big in America  
Get your fast cars  
Big in America  
Big big dreams in big reality

... In reality  
Big in America  
Girls are  
Big in America  
Get your fast cars  
Big in America-ca-ca-ca-a

(AaaH wooH)  
(AaaH wooH)

B-B-B-B big star!  
B-B-B-B big star!

Na na na na na na na na na!

Big star!  
Big in America  
Girls are  
Big in America  
Get your fast cars  
Big in America  
Big big dreams in big reality
