She turns around to take a look at me,
Guess you could say Im likin' what I see,
And though I know I cant be sure of her,
I'd kinda like to see some more of her.
This is my golden opportunity,
To take a cherry from her apple tree-tree-tree,
Yeah, she's a little on the crazy side,
But -ow! she could have me if she really tried.

Well Im in a sweat about it,
I cant forget about it, Wo-oh-oh-oh-oah
Im kinda sad about it,
I cant forget about it.

ch- ch- ch- Checkin it out,
Taking my chances,
ch- ch- ch- Checkin it out,
ch- ch- ch- Chasin these answers,
ch- ch- ch- Checkin it out,
Just a-thinkin it over,
cos im just checkin it out whats shakin in my face.

I think its time to make a start with her,
Its more the body than the heart of her,
Her reputation is a little raw,
The kind that keeps you comin back for mo-o-ore.

Well Im in a sweat about it,
I cant forget about it, Wo-oh-oh-oh-oah

Im kinda sad about it,
I cant forget about it.

ch- ch- ch- Checkin it out,
Taking my chances,
ch- ch- ch- Checkin it out,
ch- ch- ch- Chasin these answers,
ch- ch- ch- Checkin it out,
Just a-thinkin it over,
cos im just checkin it out whats shakin in my face.

Ow!

Fight! Fight! Fight! Fight! Fight! Fight! Fight! Fight!
Fight! Fight! Fight! Fight! Fight! Fight! Fight! Fight!
Alright! alright!

ch- ch- ch- Checkin it out,
Taking my chances,
ch- ch- ch- Checkin it out,
ch- ch- ch- Chasin these answers,
ch- ch- ch- Checkin it out,
Just a-thinkin it over, (check check check checkin)
cos im just checkin it out,
Like it was never a doubt,
Cos im just checkin it out,
Whats shakin in my face
