Not a word, from your lips
You just took for granted that I want to skinny dip.
A quick hit, that's your game.
But I'm not a piece of meat, still you like my brain.
So come on baby won't you show some class,
Why you wanna move so fast?

Chorus:
We don't have to take our clothes off
To have a good time
Oh no
We could dance & party all night
And drink some cherry wine
Uh huh
Na na na na na nana...

Just slow down if you want me
A man wants to be approached cool & romantically
Well I've got needs
Just like you
If the conversation's good
Vibrations through & through
So come on baby, won't you show some class
Why you want to move so fast

We don't have to take our clothes off
To have a good time
Oh no
We could dance & party all night (all night)
And drink some cherry wine
Uh huh
Na na na na na na...

So come on baby won't you show some class
Why'd you wanna move so fast?

(Instrumental)

We don't have to take our clothes off
To have a good time
Oh no
We could dance & party all night (all night)

And drink some cherry wine
Uh huh
Na na na na na na...

Repeat until fade...
