Oh Yeah!

First I saw her at Tesco's.
Stacking on the shelves from a nine to five and
Oh! She wasn't an angel
Coz she took me home and she ate me alive

I never met someone like you before
Coz i could see the girl but didn't think I'd score
Was hoping for a little but I got much more than I
planned for

We're crossing the line now
We're crossing the line now
Just so we can find out
Is it what I thought it would be?

Oooohhhh!

She, she got the behaviour
The kind that makes you feel so good
and oh just do me a favour
and be the girl that I know you could be

I never met someone like you before
Coz I could see the girl but didn't think I'd score

Was hoping for a little but I got much more than I
planned for

We're crossing the line now
We're crossing the line now
Just so we can find out
Is it what I thought it would be?

Oh! Oh!

Ohhhhhhh!

Yeah yeah yeah yeah.

We're crossing the line now

We're crossing the line now
Just so we can find out
Is it what I thought it would be?

We're crossing the line now
We're crossing the line now
Just so we can find out
Is it what I thought it would be?
