I feel in luck today
The sun is shining in a frak tornado
Deck chairs are blown away
A late night, and a lost labido

It's not unusual
It's undeniable
It's unbreakable
The Britsh animal
Enjoy your sunny Spain,
Coz I don't need no costa freak show!

Oh oh oh oh oh
It's undeniable
Oh oh oh oh oh
1-2-3-4-5-6-7-8
(1-2-3-4...)

[Chorus]
I don't need a holiday!
Got it all with you today
Oh oh oh The Great British Summer!
Keep your sun,
I got my rain
If you get wet,
Got yourself to blame
Oh God love the Great British Summer!

Mad dogs and noodless men
Are hanging out in the two tuxidos
Will I see those girls again?
On the beech in the slim tuxidos

It's not unusual
It's undeniable
It's unbreakable
The british animal
Enjoy your sunny spain,
Coz I don't need no costa freak show!

Oh oh oh oh oh
It's undeniable

Oh oh oh oh oh
1-2-3-4-5-6-7-8
(1-2-3-4...)

[Chorus]
I don't need a holiday!
Got it all with you today
Oh oh oh The Great British Summer!
Keep your sun,
I got my rain
If you get wet,
Got yourself to blame
Oh God love the Great British

Oh oh oh oh
Reach out if you want a good time
Oh oh oh oh
The see is flat and the weather is fine

The Great British Summer!

Keep your sun,
I got my rain
If you get wet,
Got yourself to blame
Oh God love the Great British

Oh God love the Great British

Oh God love the Great British Summer!
