1 verse: I have arrived there is no fear. Come a little closer let me make the picture clear. I am the newest shit around here and I plan to stay. So think that its best you get use to this face. Cause u gonna see me 247 and If u got a problem come to my crib its on eleventh. Homeboy I know that your scared I can tell by how your sweatin. So go on and let me hit u with that combo numba seven.

chorus: You need to under stand, that I dont play.
expect to get the hands, yes I dont play.
I make the cash grow, cause I dont play.
Then i make that cashflow, you know I dont play.

Verse2: Dont try to be me it wont work. You'll go out there and have feelings hurt. You wont make dime cause you aint shit. You'll have a pretty hard getting you a trick. The truth is you cant be me. Like John Cena said you cant see me. So go on do what you do or get with a crew and dont come around the way. Cause if you noticed i dont play.

chorus: You need to under stand,that I dont play.
expect to get the hands,yes I dont play.
I make the cash grow, cause I dont play.
Then i make that cashflow, you know I dont play.

Verse3: Yall should know by now I dont play around. I got all these fake niggas leavin town

Only real niggas understand my vision
While back thought I was fiction
Thats why ill soon where the crown
The mayor think dont run this town
I bout to take over the city
For all real nigga out there if your feel me

chorus: You need to under stand,that I dont play.
expect to get the hands,yes I dont play.
I make the cash grow, cause I dont play.
Then i make that cashflow, you know I dont play.
