Title: Is There Anybody Out There? (Kickin' Off) Print

Correct

Come oonnn

Wanna learn to fly, wanna climb so high
Its kicking off!
Somewhere we can get more, feel more,
We're lifting off!
Gonna take my life,
My life to new levels,
Gonna shake it up so my heart rate trebles!
Getting out of this place,
Get out of my face,
Bought a ticket out of this hole,
Play my rock n roll,
We're kicking off!

Gonna take my life,
My life to new levels,
Gonna shake it up so my heart rate trebles!

(Repeat 2x)

Come oooooooooon!
Is there anybody out there?
Anybody there?
Is there anybody out there?

Alriiiiiiiiiight!

Sh -shake it off,
Sh - shake it off,

Somewhere we can get more, feel more,
We're lifting off!

Gonna take my life,
My life to new levels,
Gonna shake it up so my heart rate trebles!
