Wanna learn to fly?  
Wanna climb so high?  
It's kicking off

Bought a ticket out of this hole  
Play my rock 'n' roll  
We're kicking off

Wanna take my life  
My life to new levels  
Gonna shake it up so my heart rate trembles

We're getting out of this place  
Get out of my face

We're lifting off  
Somewhere we can get more, feel more  
We're lifting off

Wanna take my life  
My life to new levels  
Gonna shake it up so my heart rate trembles

Come on  
Is there anybody out there  
Anybody there?  
Is there anybody out there?

We're getting out of this place  
Get out of my face  
We're kicking off

Somewhere we can get more, feel more  
We're lifting off

Wanna take my life  
My life to new levels  
Alright

Is there anybody out there  
Anybody there?  
Is there anybody out there?

Come on

Come on  
Is there anybody out there  
Anybody there?

Is there anybody out there  
Anybody there?

Come on  
Is there anybody out there?  
Yeah
