I can't forget ya it's making me mad  
'cos when i met ya it made me feel glad  
now i know o-o-oh i've been had

i've got one reason for feelin' so sad  
i saw you leaving but i didn't add  
now i know o-o-oh i've been had

### BRIDGE

cos i , i wanted you baby  
and it seems to me that i'm not afraid  
oh electrical lover  
can't you see i won't run away

### CHORUS

i gotta say that i want you and i need you  
and there's nothing i can add  
except to say that i love you and i hate you  
but i feel like i've been had...  
but i still want you

you were my craving and i was your fad

you look so good but i want you bad  
even though o-o-oh i've been had

### BRIDGE

### CHORUS

you're so dangerous  
so outrageous  
and there's nothing i can do  
except to say that  
i gotta say that i want you and i need you  
and there's nothing i can add  
except that i love you and i hate you  
but i feel like i've been had...

i have lost my mind

i have lost my mind oh no

CHORUS
