Me and my life were in despair
So survival, I don't care
Oh, uh, oh, oh, uh, oh, oh
I made a joke, I do what I want to
Jump on the the back of what you belong too

Oh, uh, oh, oh, uh, oh, oh
I'm losing my control
I'm bearing out my soul
Stop doing what you're told
Ow, ow, ow, ow, yeah

Me and my life
It's me and my life
Just me and my life
My life

Oh, when it comes to me, you get what you see
Being what you are and not what you're told to be
Oh, uh, oh, oh, uh, oh, oh
Can't be dealing with your dishonesty
Nag, nag, nag is what I get constantly

Ow ow ow ow
I'm losing my control
I'm bearing out my soul
Stop doing what you're told

Me and my life
It's me and my life
Just me and my life
My life
