The blokes, you know are gross, for you
It's thrills for me, that sucks.
Instead of me, you need a boy
Who sucks and there's a crush

I'm not saying, that as a girlfriend you like it
complicated
I'm not staying, to be hated, you are overrated

[Chorus]
Oh Lonely, oh lonely, only wish I could, only wish I could
Oh Lonely, live like I, never understood, never
understood
Oh Lonely, oh lonely, only wish I could, only wish I could
Oh Lonely, live like I, never understood, never
understood

For us, the game, is up, you know
I tried, to lie, you know

I'm not saying, that as a girlfriend you like it
complicated
I'm not staying, to be hated, you are overrated

[Chorus]
Oh Lonely, oh lonely, only wish I could, only wish I could
Oh Lonely, live like I, never understood, never
understood
Oh Lonely, oh lonely, only wish I could, only wish I could
Oh Lonely, live like I, never understood, never
understood

I can be muscular
I could be if you look
I am more than you love
So just say what you want, what you need, what you
gotta say!

Ah ah ah ah ah ah ah ah ah ah ah ah ah ah ah

Only wish I could!
Never understood!

[Chorus]

Oh Lonely, oh lonely, only wish I could, only wish I could

Oh Lonely, live like I, never understood, never
understood

Oh Lonely, oh lonely, only wish I could, only wish I could

Oh Lonely, live like I, never understood, never
understood
