Stop the track coz seeing the morning
My mum and dad pull up with no warning
Look over there
No not the carpet
Here we go
Here we go
Here we go oh woah oh

We're in we're in the front room we're jumping
House full of chavs
The bedroom is thumping
He's such a mess
And she's underdressed
Here we go
Here we go
Here we go go go!

(Chorus)
All the girls go wild
And the boys get crazy
Yeah Yeah Yeah What's it all about!
And we act so tough coz we just can't fake it
Yeah Yeah Yeah What's it all about!
All the girls and boys start making some noise
Yeah Yeah Yeah What's it all about!
Coz we're giving it large and we've got no choice
Yeah Yeah Yeah What's it all about!

Got no idea what's going down woah woah
What's it all about woah woah

Back in a flash, it kicks off at my place
You got the decks, and I got the drumbass
Lets get it on
We can speak on
Here we go
Here we go
Here we go oh woah oh

Look over there! There in the corner
He wants to dance
But she don't wanna

Call the police!
There's kids in the street!
Gotta Go
Gotta Go
Gotta Go Go Go!

(Chorus)

All the girls go wild
And the boys get crazy
Yeah Yeah Yeah What's it all about!
And we act so tough coz we just can't fake it
Yeah Yeah Yeah What's it all about!
All the girls and boys start making some noise
Yeah Yeah Yeah What's it all about!
Coz we're giving it large and we've got no choice
Yeah Yeah Yeah What's it all about!

Got no idea what's going
Got no idea what's going
Got no idea what's going down
Woah woah

What's It all about woah woah
(What's it all about)

(Chorus)

All the girls and boys start making some noise
Yeah Yeah Yeah What's it all about!
Coz we're giving it large and we've got no choice
Yeah Yeah Yeah What's it all about!

Got no idea what's going
Got no idea what's going
Got no idea what's going down
