

Lil' Ed & The Blues Imperials **"Christmas Time"**

Things you do to me
Make my Christmas swell
From the top of my tree
Down to my jingle bells

Now give me some of yours
I'll give you some of mine
'Cause it's Christmas time

Don't you always look pretty
Hangin' on your Christmas tree
I don't no 'bout no one else
They sure look good to me

Give me some of yours
I'll give you some of mine
'Cause it's Christmas time

I got a big 'ol candy cane

That you'd like to lick
If you take your time
Ooh, that'll do the trick

Now give me some of yours
I'll give you some of mine
'Cause it's christmas time

Let me slide between your stockings
Check out your fireplace
I think I got a log now
That will fit right in place

Give me some of yours
I'll give you some of mine
Yeah, it's Christmas time
