I hate this war, can't take any more
It's a real gas, how long does it last?
I don't wanna die for England
I don't wanna die at all

I, I, I, I, ooo
I, I, I, I, ooo

I got my uniform, now it's battle torn
I'm wet and I'm cold, what a way to grow old
I don't wanna die for England
England will survive

I, I, I, I, ooo
I, I, I, I, ooo
I, I, I, I, ooo
I, I, I, I, ooo

I don't wanna die for England
I don't wanna die at all
I don't wanna die for England
Didn't hear the bugle call
