Ay, ay, ay, oh, oh, oh
We're all in a horror show
Ay, ay, ay, oh, oh, oh
We're all in, and it's a real horror show

It's a concrete jungle, humans too
We're all caá¹—tives, who's watching who?
Ay, ay, ay, oh, oh, oh
We're all in a horror show
Ay, ay, ay, oh, oh, oh
We're all in, and it's a real horror show

Inside my cage, it hasn't do great
I'm a gangster, a circle jet
Ay, ay, ay, oh, oh, oh

Ay, ay, ay, oh, oh, oh
We're all in a horror show
Ay, ay, ay, oh, oh, oh
We're all in, and it's a real horror show
Real horror show, horror show
A real horror show

Video round what we have
Video round, it's a horrible...

Ay, ay, ay, oh, oh, oh
We're all in a horror show
Ay, ay, ay, oh, oh, oh
We're all in, and it's a real horror show
Real horror show, horror show
A real horror show
Real horror show, horror show
And it's a real horror show
