I want to marry a light house keeper  
And keep him company  
I want to marry a light house keeper  
And live by the side of the sea

I'll polish his lamp by the light of day  
So ships at night can find their way  
I wanna marry a light house keeper  
Won't that be okay

We'll take walks along the moonlit bay  
Maybe find a treasure too  
I'd love living in a light house  
How 'bout you?

Dream of livin' in a light house baby  
Every single day  
I dream of living in a light house  
A white one by the bay

So if you want to make my dreams come true  
Who'd be a light house keeper or do  
We could live in a light house  
The white one by the bay  
Won't that be okay
