In spite of everything
That we've been through
Remains that certain thing
We've got to do

Must you cry when I'm feeling so high
We can fly we can reach for the sky
Let sit back and enjoy it
Let the light come shine on thought

Oh Marianne
Don't wait for the summer
Hey! Marianne
Don't wait at all

It happens all the time
But not to me
It ain't no major crime
Please set me free

You can run till your lost to the sound
You can hide but you're sure to be found
You can take all you want to
All you want but when I see those eyes shine so blue

Oh Marianne
Don't wait for the summer
Hey! Marianne
Don't wait at all

It's not right to be feeling this shame
Cause I know girl you feel just the same
Just sit back and enjoy it
Let the light come shining on thought

Think of you each morning
Lie awake at night
Don't heed mother's warning
Ah believe me it's alright
When you feel it coming
Got to hold on tight

Don't you know I'd die for you

Oh Marianne
Don't wait for the summer
Hey! Marianne
Don't wait at all

Oh Marianne
Don't wait for the summer
Hey! Marianne
Don't wait at all
Don't wait at all
Don't wait at all
