Funny how life can be
I question myself esteem
I'm not shirking it, I just question it
Kids just wanna know more

I'm just like anyone
Looking for answers since I was born
I still question it
I'm not faking it
I just wanna know more

Over there, over there
The sun is always shining
Over there, over there
But the sun don't shine on me

And I'll say ooooh ooh, to every boy and girl
And I'll say ooooh ooh, oh we're gonna get there

And I'll say ooooh ooh, to every boy and girl
And I'll say ooooh ooh, yeh we're gonna get there
Yeh we're gonna get there

Funny how life can be
I question myself esteem
I'm not shirking it, I just question it
I just wanna know more

I'm just like anyone
Looking for answers since I was born
I still question it
I'm not faking it
I just wanna know more

Over there, over there
The sun is always shining
Over there, over there
But the sun don't shine on me

And I'll say ooooh ooh, to every boy and girl
And I'll say ooooh ooh, yeh we're gonna get there

And I'll say ooooh ooh, to every boy and girl
And I'll say ooooh ooh, yeh we're gonna get there
Yeh we're gonna get there, yeh we're gonna get there

Over there, over there
The sun is always shining
Over there, over there
But the sun don't shine on me

And I'll say ooooh ooh, to every boy and girl
And I'll say ooooh ooh, yeh we're gonna get there

And I'll say ooooh ooh, to every boy and girl
And I'll say ooooh ooh, yeh we're gonna get there
Yeh we're gonna get there, yeh we're gonna get there
