I hear people talk
I see people walk
They seem so out of touch
I wanna get away so much

All the clockwork toys
Are making too much noise
It's the machinery
It's breaking down, oh can't you see

Run runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with me

The picture doesn't change
It's just a frozen frame
I wanna break the ice
I wanna go to paradise

There is nowhere to hide
I'll take you for a ride
But not if you kiss and tell
I don't mean on a carousel

Won't you run runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with me

One day I'm to say my
Three wishes came true
Till then I pretend I'm
Escaping with you, you, you, you

Run runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with me

Run runaway, run runaway
Run runaway with me

Run runaway, run runaway
Run runaway with me

Run runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with me

Run runaway, run runaway
Run runaway with me
Run runaway, run runaway
Run runaway with me
