I wonder all over  
I wonder alone  
Adventure, romance  
Many I've known

I'm just a Troubadour  
I'm in love with you  
I traveled the world  
Seen all the girls  
I'm in love with you

I'm just a Troubadour  
I'm in love with you  
I traveled the world  
Seen all the girls  
I'm in love with you

I know that you know that  
I'm looking at you  
I'll sing you a story  
And this one is true

I look at you  
Look at me not a big star  
Boys and girl  
That's what we are

I'm just a Troubadour  
I'm in love with you  
I traveled the world  
Seen all the girls  
I'm in love with you

I'm just a Troubadour  
I'm in love with you  
I traveled the world  
Seen all the girls  
I'm in love with you

Troubadour  
Troubadour  
I traveled the world

Seen all the girls

You know that I love you  
You know that I do  
Whatever happens  
You know I love you

I'm just a Troubadour  
I'm in love with you  
I traveled the world  
Seen all the girls  
I'm in love with you

I'm just a Troubadour  
I'm in love with you  
I traveled the world  
Seen all the girls  
I'm in love with you

I'm just a Troubadour  
What else can I do?  
I traveled the world  
Seen all the girls  
I'm in love with you

I'm just a Troubadour  
I'm in love with you  
I traveled the world  
Seen all the girls  
I'm in love with you

I'm just a Troubadour  
I'm in love with you  
I'm in love with you
