Into the dungeon with evil men  
The people have risen we're free again

Come out of the closet  
Come out of the hole  
Come out of the woodwork  
Come into the fold

Rebels and fighters, a license to kill  
Unite with the bandits down from the hills

Open your windows  
Open your doors  
Open your minds  
To a freedom of thought

Viva la revolution, viva la revolution  
Viva la revolution, viva la revolution

Raise our voices, raise our flag  
Smash the symbols of the life we've had

Long live the people  
Long live the scheme  
Long live our hopes  
Long live the dream

Dance in the streets at the carnival  
Celebrate the victory now  
Drink the wine from the rich man's cask  
This revolution won't be the last

Viva la revolution, viva la revolution  
Viva la revolution, viva la revolution
