We started playing at seventeen  
Another part of a bigger scene  
We used to wear a shirt back then  
Said fuck you man we don't care

We looked back  
We didn't see you following  
We looked back  
Where did you go  
We looked back  
We didnt see you following  
We looked back  
A rivers gonna flow

There were times as good as it gets  
& there were those disasterous sets  
We always had a story to tell  
Maybe you tell it as well  
We looked back

Thanks for coming if you were there  
It is something that we will always share  
We're sorry if we let you down  
It ain't always funny being a clown

We looked back on times gone by

A song for you all.
