I've just seen a face
I can't forget the time
Or place where we just met
She's just the girl for me
And I want all the world
To see we've met
Mm, mm

Had it been another day
I might have looked
The other ways and
I'd have never been aware
But as it is
I'll dream of her tonight
Da, da

Falling, yes I'm falling
And she keeps calling me
Back again

I have never known
The like of this
I've been alone and I have
Missed things and kept out
Of sight for other girl
We're never quite like this
Da, da
Falling, yes I'm falling
And she keeps calling me
Back again

Falling, yes I'm falling
And she keeps calling me
Back again

I've just seen a face
I can't forget the time
Or place where we just met
She's just the girl for me
And I want all the world
To see we've met
Mm, mm, da, da

Falling, yes I'm falling
And she keeps calling me
Back again

Falling, yes I'm falling
And she keeps calling me
Back again

Oh, falling, yes I'm falling
And she keeps calling me
Back again
