Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Da dro, da percs, da ounce, get pushed
Get back, no half's, no edge will give ya hash
I'll join ya 2 but do ya niggas smoke a blunt of this
You wanna smoke wit' me, don't bring no bullshit

Da blue, thumpin', white spinners, tha green nickles
That red superman, that peach butter fire
That white Rolex, you'll have those hoes hotter
Than a box of stolen chex

The snow, the white, Miami get crunk
I see 'em in tha club, they be sniffin' up that skunk
Homie 1 gee ya right, homie 2 gee ya right
Homie 3 gee ya right, I ain't ballin' for tonight

If you wanna get cha lean, only but that yella
I done heard down in Texas them niggas got whateva
[Incomprehensible], gally gally of that Henna
Mix it wit' that crunk juice, we'll have a nigga spinnin'
like

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Yeah, I got that weed for the low, the pills for the low
That blow for the low, young nigga, you ain't know
When I ride I roll high, man and I ain't tellin' no lie
When this shit get in my brain, I drip the grain and fly
by

Say, dawg, you got that good up in the hood we callin'
mint
Right another thing we do some call it blow, some call it
cold
I ain't fuck head nah nigga, I've been on that base,
base
Hard bouncin' front to back, watch me change the lane,
lane

'Cuz don't be talkin' that shit, the shit that I get you
bitches can't get
The measure, the A, the north and the south
Is on the ground, who built that under, under ground,
ground
Smoked out fulla green

Fuck what cha heard, bitch, yeah, I'm back up on the
scene
If you wanna get high, you should fuck wit' gangsta
boo
I be turnnin' niggas out, watch how fast I turn you
Into a smoked out, loaked out, freaky motherfucker
On that exed out, passed out, while I pout another on
da

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

I been gettin' in that work, I got pounds on this perc
I'm a pimp, bitch, fuck you, pull up your own skirt, skirt
We don't give a fuck, 26's on the truck
Fuck around till you show up, we gon' tear this bitch up

I got X, I got B, I got anything you need
When you see me in the street, just holla at me
Through a dolla at me, bitch, swallow at me
This ya one lil bo from the E.S.P

See nigga, I smoke everyday, I'm 'bout to light up sum
hay
I got that shit that will put your mind up in the day
But I don't fuck wit' tha blow but see I fuck wit' sum
hoes
That be freaky from they settle, it's outta control

I remember back in tha day, wit' those aches in bones
When nigga was ridin' in the city truck to get to the
dough
But we the best in this town, we'll try to settle ya down
Nigga was slangin' bitches down 20 kilos a pound

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Da blow, da pills, da yak, da herb
Da blow, da pills, da yak, da herb
Da blow, da blow, da blow, da blow

Underground, underground, underground,
underground
Underground, underground, underground,
underground
Underground, ground, under underground, ground
Under underground, ground, under, underground,
ground
Under

Keep it cool, blow, keep it, keep it cool, blow
Keep it cool, blow, keep it, keep it cool, blow
Keep it cool, blow, keep it, keep it cool, blow
Keep it cool, blow, keep it, keep it cool, blow
