I'm wondering who am I? Bo Hagon BME, representer
Half the center niggas who enter this, as cold as winter
I step away from the top, I step away from the Glock
I step away from shooting, or getting shot

Bitch nigga, fuck that, you buck we buck back
But you think we cut slack for some kinda tough cat
Just 'cos some nigga was dead, with his head leakin'
out jiggy
Red leakin' out, not a fast nigga now

Nigga, fuck it it, what happened to fuck it and haul ass?
You a snake 'cos I seen you was creepin' in tall grass

I bust them off repeatedly, and heatedly
Tried to make that motherfucker leave immediately

I'm a pimp, I'm a gangsta, all the above
And I'm worldwide baby girl, show me some love
We gonna drank real good and blow decent bubbles
Bo Hagon you don't give a damn, we don't give a fuck

What's that shit that you're throwing up?
(East side, east side nigga)
What's that clique that you represent?
