If you got's a neat stash
(Give me half, give me half)
And if you roll up on some cash
(Give me half, give me half)
And If your momma's in the back
(Give me half, give me half)
And you know I got the bass bat
Bass bat, bass bat

Bitches on the dick, give 'em 3OH!3
Poppin' motherfuckers like, you know me
Shinin' in the club with the goatee
Rollin' on the dubs like a OG
Get them hands crackin' in the 3OH!3
Get them hands crackin' in the 3OH!3

Hey yeah, shake, shake, your ass now
Said, hey yeah, shake, shake, your ass now
Said, hey yeah, shake, shake, your ass now
I'ma hit u from the back
Make you Holler Till You Pass Out

If you don't know 'bout boulder
Your girl's a freak

You think you're tight but my ice gets colder
In Ballerado fight you with my soldiers
You know we clean, never smokin' that Doja
The gang sign 'Cause that's what we all love

Hey yeah, shake, shake, your ass now
Said, hey yeah, shake, shake, your ass now
Said, hey yeah, shake, shake, your ass now
I'ma hit u from the back
Make you Holler Till You Pass Out

Hey yeah, shake, shake, your ass now
Said, hey yeah, shake, shake, your ass now
Said, hey yeah, shake, shake, your ass now
I'ma hit u from the back
Make you Holler Till You Pass Out
