Ladies and gentlemen (hey hey hey)

But I came to party tonight (yeah)  
If you with me (what)  
Put your hands up right now  
Put em up put em up put em up (hey)

Drinks up high every time I hit the party  
Shots shots shots shots shots  
Cuz it's time to get retarded  
Everybody (everybody) grab a motherfucking cup  
And drink that shit 'til you get fucked up  
Shake that ass (shake that ass) like it's your birthday  
(birthday)  
Stay out like tomorrow ain't a work day (work day)

Let's get crunk let's get drunk  
Let's get fucked up tear it up

[3OH!3]

Turn the lights down low  
And let the DJ go  
Until the speakers blow  
(stay up till the break of dawn)

Take a sip of Jack  
You need a sip of that  
There ain't no turning back

[Chorus]

Hey! I don't care  
(I don't care)  
Whenever there's a party  
I'm the first one with a drink in the air  
(put em up, put em up)  
We can share  
(Yeah!)  
Cause when we finish this one  
There will be another bottle right here

Heeeeeey [8x]

Let's get fucked up tear it up

[3OH!3]  
When the basses low  
You work it nice and slow  
You let your body go  
(shake it till the break of dawn)  
You can take a shot of anything they got  
They tryin to table top

[Chorus]

(I dont care)  
Whenever theres a party  
Im the first one with a drink in the air  
(put em up, put em up)  
We can share  
(Yeah)  
Cause when we finish this one  
There will be another bottle right here

Heeeeeey [8x]

We don't want this night to end  
We wont sleep  
Then we'll do it again [x2]

Cause when we finish this one  
there will be another bottle right here

Heeeeeey [8x]
