Nigga I fuck over me, you know what I do to these  
rappers?

They come in here huffin' and puffin' and screamin'  
And cussin' and bustin' me first  
Nigga you betta calm yo' ass down unless you excited  
to see me in person

I'm rollin' with thugs and felons, that's 'cuz it's on killaz  
We gon' teach you ol' punk ass niggas to respect us  
authority figures

You're goin' down boy when we be pourin' up in the  
club

You're going down boy too bad fuck ya, sorry for ya

Listen let's not get shook, but I ain't the one to come  
lookin'

'Cuz all I can tell the police is, I am not a crook  
I fuck big fine bitches, my dick get hard, watch it grow  
Then gimme fine head, blow my shotgun, good good  
don't

Now tell me that ain't the life  
Tellin' me my niggas ain't for life  
Now tell me that shit ain't tight  
Tell me that y'all wanna be just like me

I beat these bitches down  
I watch these powers up  
Nigga you talkin' shit  
Ho, you better power up

You ride up to the club nigga, I don't give a fuck  
Shakin' yo' ass in the club bitch, I don't give a fuck  
Drinkin' Cris in the V.I., I don't give a fuck  
Talkin' shit 'bout me bitch, I don't give a fuck

You gotta pocket fulla money nigga, I don't give a fuck  
You drinkin' off with them ho's bitch, I don't give a fuck  
In the club wit yo' pussy click, I don't give a fuck  
Security on my dick bitch, I don't give a fuck

Y'all niggas ain't ready for this, muthafuckas ain't

'Cuz y'all still ain't learn  
Nigga got a 4-4 cocked, and a flow so hot  
Make a muthafucka feel that burn

You stay up off my dick don't back talk my nigga finna'

Back up off of dis nigga  
If you don't wanna get fucked up then shut up the

Barkin' betta block 'em off the nigga talkin, sparkin'  
Betta watch and dodge and never mind me call it  
Where da thugs at up in this bitch  
Fuck a nigga up y'all represent

Gimme some Gin, gimme some Hen  
Naw just gimme both and I'll mix it all in  
Who wanna take a lil' sip of this sin  
Let me get ya twisted man

Niggas on fire, don't stop droppin' dem that's a lie  
We just won't die  
We come back flyer than ever, higher than ever this  
time  
We feelin' this rhyme

So any nigga wanna get involved  
What you think you can fuck wit my dogs?  
Nigga you thinkin' you rubbin' us while we're thuggin'  
this  
Did you think you can fuck wit us, bone, bone-bone-  
bone-bone

You ready to do this the hell with the song  
We ain't gotta tell you it's on  
You know it's poppin' the glock to put a stop to the ho  
shit  
Y'all still can't fuck wit us and never will because  
We too fuckin' bold, too fuckin' cold  
With too many soul-jahs ready to roll with the god  
damn bones

You ride up to the club nigga, I don't give a fuck  
Shakin' yo' ass in the club bitch, I don't give a fuck  
Drinkin' Cris in the V.I., I don't give a fuck  
Talkin' shit 'bout me bitch, I don't give a fuck

You gotta pocket fulla money nigga, I don't give a fuck  
You drinkin' off with them ho's bitch, I don't give a fuck

In the club wit yo' pussy click, I don't give a fuck  
Security on my dick bitch, I don't give a fuck
