

Lil' Jon "Let My Nutz Go"

Visit "[Let My Nutz Go](#)" on MotoLyrics.com

You couldn't be a better playa than me
Even if you fucked every day of the week
I know you think you got it like
I be fuckin' hoes every day of the week

You never could be a better playa than me
Even if you rolled in luxury
I know you sport coatin' that top notch freak
You never could be a better playa than me

When I first got to the club, it was cool to fuck
Walked passed these hoes and they looked me up
And back down again recognize a pimp
Next thing I know, I'm tellin' lies again

Sellin' dreams to hoes from everything I know
Grab the microphone then I spit these flows
I came in this muthafucka with my niggaz
I plan on leavin' here with yo bitches

Anybody feel they got a problem with that
You need to take off yo pimp hat nigga
And get the fuck out my way
'Cause I don't fuck with scrubs on any day

I can't buy her no drink, she can't ride with me
I don't know her and she can't stand beside me
But yo bitch, I might fuck her
Just because I know you's a sucker

Let my nuts go, bitch
Let my nuts go
Let my nuts go, bitch
Do you like the way they swang?

Let my nuts go, bitch
Let my nuts go
Let my nuts go, bitch you keep rappin' in my ear
And got me mad as hell

Let me hit that weed, what you drinkin'?
Six months ago, hoe yo ass wasn't speakin'

Now I see yo face in every bad way stop
Tryin' yo plots since the CD dropped

I went nuts 'cause I'm like that with Too Sheezy
Got no time for you triflin' ass broke breezies
Jon doin' thangs, now that's so true
And you bad news bitch, I ain't fuckin' with you

Punk bitch think she real smart, runnin' that G
But talk is cheap hoe, spend some cash money with me
Look up when I pull up and come runnin' to see
If Short Dog is in the car, Murder One is with me

You heard Nationwide was ballin', we make hundreds
and G's
Takin' trips to the islands, smilin' under the trees
When I step up, all these heffers start comin' for me
Let my nuts go chickenhead you gets nothin' for free

Let my nuts go, bitch
Let my nuts go
Let my nuts go, bitch
Do you like the way they swang?

Let my nuts go, bitch
Let my nuts go
Let my muthafuckin' nuts go
Bitch, you keep rappin' in my ear and got me mad as
hell

Now we gettin' hell of looks soon as we pimped through
the door
And we seen hell of freaks we ain't fucked before
They got some bitches on the prawl of gold diggin'
missions
And my folks is livin' foul, they whoopin' ass with
precision

Fallin' back at the club, smoked up
Gettin' scoped by a hoe with a nigga, I know she tryin'
to fuck
But her hommie wanna play G.I. Joe
Hommie you better check yo hoe before yo big ass hit
the flo'
Let my nuts go

Nigga when I step in the club
Cause y'all blowin' stress and we blowin' bud
I showed him love once and let him come with my crew
Now every fuckin' time he tryin' to jump in line

Yellin' out, can I get in with y'all?
I ain't feelin' sorry for him, so I tell him, hell naw
Now Short Records in the VIP
I'ma sock you if you don't get off my N U T S

Let my nuts go, bitch
Let my nuts go
Let my nuts go, bitch
Do you like the way they swang?

Let my nuts go, bitch
Let my nuts go
You better let my nuts go
Bitch, you keep rappin' in my ear and got me mad as
hell

What the fuck, my nigga, what the fuck?
(What the fuck?)
What the fuck, my nigga, what the fuck?
(What the fuck?)
What the fuck, my nigga, what the fuck?
(What the fuck?)

Back up bitch, nigga back
(Back up)
Back up bitch, nigga back
(Back up)
Back up bitch, nigga back
(Back up)

Now if you want some
(What?)
Come and get some
(Get some)

If you want some nigga, come get some
(Come get some)
If you want some nigga, come get some
(Come get some)

Why you all on my nuts like a trick
I heard you was a jailhouse bitch
Why you all on my nuts like a trick
I heard you was a jailhouse bitch
Nigga

Let my nuts go, bitch
Let my nuts go
I told ya let my nuts go, bitch
Do you like the way they swang?

Let my nuts go, you bitch
Let my nuts go
Let my muthafuckin' nuts go
Bitch, you keep rappin' in my ear and got me mad as
hell

Uh, the word is dollar ain't the same
Ever since I started nation ridin', got a lil' change
Surrounded myself by game, niggaz sayin' I'm
counterfeit
Ain't that a bitch?

Re evaluate and stop ridin' my dick
Leave that to yo main bitch, let her live once
Niggaz always surround when I burn my blunts
Give me three feet and let me eat
Niggaz some bitches, used to be too good now they
can't speak
