Yeah
(Yeah)
There's a lotta fuck niggas in the club tonight
(Fuck 'em, fuck 'em, fuck 'em)
But it's gonna be aight
(Yeah, yeah, yeah, yeah)
'Cause me and my clique we dont give a fuck nigga
Trick Daddy, Jim Johnson, Big D, Lil' Jon

Let's go
(Let's go)
If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

If you want some, come get some
'Cause where I'm from, we Tote Big Guns
And everybody know somebody that
Know somebody that know somethin' 'bout it

And I want answers now who, what, where
When and why
See, a lotta dudes like to act a fool
And all get all loud but that ain't my style

And he who he gonna get and what he gonna do
Run up on me if he want to
Out there impressin' his homies
But he stood up in front of his mama

I mop up the flo' wit' 'em
And I kick in the door and let the .44 get 'em
I got fools that'll go get 'em
That's some [unverified] and the dudes that run wit'
'em

Let's go
(Let's go)
If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

Gotta spit for the murderas and the
Killas and the thugstas
That be fuckin' up the ballas and
The dealas and the hustlas

Got me comin' at you bokas in the
V.I. while they bumpin' Lil' Jon, I'm a brush ya
It's the psycho nigga Twista from
Chicago rollin' with the Miami nigga that'll crush ya

We already been lookin' for drama
If a nigga try to get it to then we still gotta get 'em
Feelin' fury from my tough shit that can't never be true
and the penicillin
I'm telling you Trick of in and still 'em

Got me swingin' crysie and Hennessey bottles
In the club with my thug homies goin' for the skrilla
Don't get it twisted with that overnight celebrity you
better be scared
Of me in my city, I'm a killa

Let's go
(Let's go)
If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

I ain't that rappin' type arright
And I that actin' type arright
This sulphane in my script
I'm a play on you and you just a square

See, once that Hennessey into
Me the whole industry is my enemy
If you ain't no ten to me or friend to me
Bitch don't pretend to be

I'm strictly for the thugs
I'm part of the streets and straight out the hood
That moments ghetto
(ghetto)
Got me deep in gats for you wheezly cats

I'm straight out the county of Dade
Played on fire nigga M-I-A
Never gone south of the border
Americas most wanted you gonna get slaughtered.

Let's go
(Let's go)
If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

Let's go
(Let's go)
If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)

If you want it you can get it let me know
(Let me know)
I'm 'bout to fuck a nigga up, let's go
(Let's go)
