Ooh ooh yeah
I'm so horny baby
So come on touch me baby
Ooh ooh yeah

Ooh na na naa naa, I'm so horny and I want you to fuck
me
I'm tired of masturbating, got my body shaking
No orgasm faking with me
Ooh na na naa naa, I'm so horny and I want you to fuck
me
I hope you're ready for love 'cause I got more than
enough
Come bust a beautiful nut upon me

Now I'm just sitting in my lingerie, sipping on some
Alize
Trying to formulate all the ways I can make you say
Ooh baby, right there, don't stop
Put it in your mouth, twirl it round 'till you make it pop

Now I'm gonna make you sweat
When you go down in between my legs
You gon' be fantasizing 'bout these lovely thighs
It's gon' be hypnotizing, won't you come on and see?

Ooh na na naa naa, I'm so horny and I want you to fuck
me
I'm tired of masturbating got my body shaking
No orgasm faking with me
Ooh na na naa naa, I'm so horny and I want you to fuck
me
I hope you're ready for love, 'cause I got more than
enough
Come bust a beautiful nut upon me

I see your pussy lips smiling
And grinning like they want something up in 'em
Wanted to ask you for some but didn't want to offend
you
But now I see you 'bout as freaky as me

I busted two nuts already, now you waiting for number
three

You ask me what will it take to get me hard again
I say saliva but see you ain't down for swallowing
You'd rather have it on your skin, you wanna rub it in

Move your tongue like that once more girl, I'm 'bout to
nut again

Fuck your friends in your business, asking why I call
everyday

And why your face is so clean, just tell 'em oil of Olay
I thought I could run a good race but girl you can do
miles

Lay on your side, raise up your leg, let me see that
beautiful smile

Aw yeah, I'ma put it all in there

And you relax but then you ask me to pull your hair

Then I'll do it, you'll scream but the nut won't last

'Cause right before you know it, splash

Ooh na na naa naa, I'm so horny and I want you to fuck
me

I'm tired of masturbating, got my body shaking

No orgasm faking with me

Ooh na na naa naa, I'm so horny and I want you to fuck
me

I hope you're ready for love 'cause I got more than
enough

Come bust a beautiful nut upon me

Dick, suck my dick, suck, Shawty want you to put it on
me

Rough sex, fuck fest, let me put you to test

Up and down in and out, put that dick back in your
mouth

You take the cream, I'ma make you cream

You dick fiend I'ma pussy fiend

Role play, fantasy, Hennessey, ecstasy

Hard fast, not slow, after this they ain't gon' want no
mo'

Lay you down, pick you up, speed it up, you with me
boy

Doggy style, buck wild, I'll leave yo ass screaming aah

Goddamn, don't stop, cum rising to the top

Girl you suck dick so good, make me wanna call the
cops

And it don't make no sense the way you suck the dick

The way you lick from the shaft to the dome of the dick

Goddamn, can't lie girl, I love the shit
Strap up, get head, fuck the shit I don't be
'Cause I'm big Sam baby, I'll rock your world baby
I lay the kinda pipe that make your turls curl baby

Ooh na na naa naa, I'm so horny
Ooh na na naa naa, so touch me baby
Na na naa naa, I know that you want me
Ooh na na naa naa, so come on bust one on me

Ooh na na naa naa, I'm so horny
Ooh na na naa naa, and I want you baby
Ooh na na naa naa, I see it's nice and hard for me
Ooh na na naa naa, so come and skeet it on me
