Time seems to be standing still  
'cause you haven't changed a bit since the day we met  
And it ain't very common that you find a work of art  
And she be game free  
Incredible  
Genuine  
Unbelievable  
Which word best describes

Hook:  
If I had to spend  
A wheel of fortune to  
Describe what you are  
I'd spin  
I'd pick an L (which would be two)  
Then I'd buy an O  
Then I'd pick a V  
Then I'd buy another vowel which is E  
'cause to me these L-E-T  
T-E-R-S best describe  
What you are  
Yes to me  
If I had to spin (once again)  
I'd pick a Y  
Then I'd say I'd like to solve  
Lovely

Verse 2:  
You're the jackpot that I hit before I went bankrupt  
And if I had to spend my life apart from you  
How my life would be  
Missing the V in lovely  
Replaced with an N for lonely  
So I figured it out you're the final E  
To this puzzle I call life

Hook:

Bridge:

You're charming  
Got personality  
Ain't always mad at me  
Oh, what's the deal  
This is for real  
I love the way you make me feel  
There's no me without you  
So with you is where I'll be  
There are many words to describe what you mean to  
me  
L-O-V-E-L-Y  
Fits you perfectly
